

## 100 Mile Challenge: Rules & Log Sheet

It's time to get out with your horses and earn an impressive 100-mile accomplishment. TRVEA is sponsoring a four-month event that could award you and your horses' activity with a terrific and free 100-Mile T-shirt.

### Official Rules:

1. Ride or lead a horse for 100 miles starting August 1 until November 30, 2020.
2. Do this anywhere - on trails or arenas, or in your own yard, anywhere in the world.
3. It is open and FREE to every current TRVEA member. Sorry, but non-members may not participate. You may join TRVEA, however, at any time!
4. You may change horses along the way. You may do this individually or with others, but always with a horse.
5. Accumulate your total miles over the duration of the four months.
6. You must register for this activity with TRVEA before accumulating miles. Register by sending an email to [info.trvea@gmail.com](mailto:info.trvea@gmail.com). Registration closes on October 15. In the email, tell us the shirt size you would like (T-shirts are Men's Standard Crew). Be sure you keep the return acknowledgment email as it shows you are registered for this activity with TRVEA.
7. It's an honor system—you track your own activity. Submit your log only after finishing the 100 miles to [info.trvea@gmail.com](mailto:info.trvea@gmail.com). Having accurate miles logged will make this a terrific personal accomplishment!
8. It's not a race or competition, but we may tell who completes first when it occurs. Everyone gets the same award for completion by November 30, 2020.
9. T-shirts will be awarded after November 30, 2020.

Here is an example distance sheet (below) where you can hand-log your own rides. Also, there are free apps available such as JustMove (Apple and Android), and Equilab Equestrian Tracker (Apple only).
