

TRVEA's 2023 MILEAGE CHALLENGE RULES

Ride, Walk, Lead, or Drive with Your Horse

100, 250, 500, and 1,000 Miles!

It's time again to get out with your horse(s) and achieve a really impressive 2023 accomplishment. TRVEA is sponsoring this multi-month event that could award you and your horses' activity with a terrific award! This year it will be something other than a t-shirt. You must be a TRVEA Member to participate.

Official Rules:

1. Ride or lead a horse(s) for 100, 250, 500 or 1,000 miles starting on the date you register at info.trvea@gmail.com. BONUS for members who join/re-join TRVEA by January 31, 2023 — you can count ALL your January miles toward your goal. Please see below for registration and completion deadlines. For those who cannot start by March 15 or do not finish the first 100-Mile Challenge, there is a second 100-Mile Challenge starting July 30 and ending December 31. You may complete only one 100-Mile Challenge and receive an award.
2. Do this anywhere: trails, arenas, in your own yard, anywhere in the world.
3. It is open and FREE to every 2023 TRVEA member. Sorry, but nonmembers may not participate. You may join TRVEA at any time! If you join TRVEA before January 31, you may use all the miles you've accumulated since January 1 (except for the second 100-Mile Challenge, which starts on July 30).
4. You may change horses during or along the way.
5. Accumulate your total miles over the duration of the many months.
6. You must register for this activity with TRVEA before accumulating miles, except for those joining or renewing by January 30. Register by sending an email to info.trvea@gmail.com. In the email, tell us which of the distances is your goal. Be sure you keep the return acknowledgment email — it shows that you are registered for this activity with TRVEA. Registration for the first 100 as well as the 250, 500 and 1,000-Mile Challenges ends March 15. Registration for the second 100-Mile Challenge ends July 30.
7. It's an honor system — track your own activity. After finishing the Challenge, submit your log to info.trvea@gmail.com. Having an accurate log will make this a terrific personal accomplishment!
8. It's not a race or competition.
9. Finisher awards will be handed out at the General Members' Meeting in July 2024. You don't have to rejoin in 2024 to receive your 2023 award. You will receive only one free award. However, you may be able to buy awards in a lower mileage category than your highest accomplishment. Example: those who complete the 500-Mile Challenge, may be able to purchase the 100 and 250-Mile award. You may manually record your miles on anything. NOTE: there are free Android and Apple apps available such as **Equilab** and **MyTracks** that are extremely helpful in tracking your miles.

Registration Deadlines and End Dates of Each Challenge:

- 100-Mile Challenge – register by March 15. Challenge ends on July 30.
 - 250-Mile Challenge – register by March 15. Challenge ends on December 31.
 - 500-Mile Challenge – register by March 15. Challenge ends on December 31.
 - 1000-Mile Challenge – register by March 15. Challenge ends on December 31.
 - Second 100-Mile Challenge – registration runs July 15-30. Challenge ends on December 31.
- Register by sending an email to info.trvea@gmail.com.
