

TRVEA's 100, 250, and 500 Mile Challenges

It's time again to get out with your horses and earn a 2021 impressive accomplishment. TRVEA is sponsoring a multi-month event that could award you and your horses' activity with a terrific and free T-shirt.

Official Rules:

1. Ride or lead a horse for 100, 250, or 500 miles starting on the date you register at info.trvea@gmail.com. Each distance challenge ends on different days (see below). For those who cannot start by March 10 or do not finish the first 100-Mile Challenge, there is a second 100-Mile Challenge starting on July 10 and ending on November 30. You only may participate in one 100-Mile Challenge.
2. Do this anywhere - on trails or arenas, or in your own yard, anywhere in the world.
3. It is open and FREE to every 2021 TRVEA member. Sorry, but nonmembers may not participate. You may join TRVEA, however, at any time! If you join TRVEA before January 31 you may use all the miles you've accumulated since January 1 (except for the second 100-Mile Challenge that starts on July 10).
4. You may change horses along the way. You may do this individually or with others, but always with a horse.
5. Accumulate your total miles over the duration of the many months.
6. You must register for this activity with TRVEA before accumulating miles. Register by sending an email to info.trvea@gmail.com. Registration closes on March 10. In the email, tell us the shirt size you would like (T-shirts are Men's Standard Crew). Be sure you keep the return acknowledgment email - it shows you are registered for this activity with TRVEA. (Registration for the second 100-Mile Challenge ends on July 10.)
7. It's an honor system -- track your own activity. Submit your log only after finishing the Challenge to info.trvea@gmail.com. Having accurate miles logged will make this a terrific personal accomplishment!
8. It's not a race or competition, but we may tell who completes first when it occurs.
9. T-shirts will be awarded after November 30, 2021. You will receive only one free T-shirt. For those of you who might complete the 500-Mile, you can purchase the 100 and 250 Mile T-shirts. Details to follow in the FAQ. TRVEA will attempt to get T-shirts out as early as we can.

You may manually record your miles on anything. Also, there are free Apple and Android apps available such as JustMove and Equilab Equestrian Tracker.

Ending Dates of Each Challenge:

- 100-Mile Challenge – ends on June 30
- 250-Mile Challenge – ends on August 31
- 500-Mile Challenge – ends on November 30
- Second 100-Mile Challenge - ends on November 30.
